

Livingstone Range School Division #68

Superintendent Report

2019-2020 School Year

Darryl Seguin
For the Months of: July & Aug

Highlights

Functions & Meetings

- FACES: Attended Session 3 & 9 Final Parent Nights.
 - We had trustees or sr. admin attend almost all of the 10 sessions this year. Once again the summer school program was extremely successful with lots of great feedback from parents and the staff. Over 430 students participated this summer.
- August Board Meeting & Committee of the Whole
- CASSIX/ASBOA Summer Conference
 - LRSD Team spent 3 days participating in the sessions focusing on communication and role-alike meetings. Our communications coordinator was able to join us for the communication professional development portion.
- Divisional Day Address—What Does the Future Look Like in LRSD?
 - The address was focused on a look into the past at where we were compared to where we are now. Although much growth has occurred, there is still work to do to become better. I encouraged staff to participate in the divisional survey to provide the trustees and sr. admin with more information and input toward establishing future priorities in LRSD.
- PBOE ESA meeting
- New Teacher Orientation – 18 new teachers attended representing 12 of our schools.
- Admin. Council meeting
- Education Act & Regulations—Attended several Ministry of Education sponsored teleconferences on the new Education Act & Regulations. Much work will need to happen throughout this year to bring our current Admin Procedures and Board Policies in line with the new regulations.
- ASEBP meeting—discussed wellness in LRSD and potential initiatives and strategies
- Met with new administrators at JTF, WCCHS, GRN and WMES
- Attended ABD/JTF Welcome back BBQ

Other

- Vacation time
- Inspiring Leadership program development—the course will consist of 6 meetings; 3 on Inter-School Collaboration Days and 3 evening meetings. Participants will become more familiar with the components of the Leadership Quality Standard and improve their leadership skills and knowledge.

Key Areas for Next Month

- KBE ESA meeting
- CASSIX meetings
- Zone ASBA meeting
- Minister of Education meeting
- Teacher2Teacher
- Meeting of the Whole
- Admin. Council meeting
