

Livingstone Range School Division #68

Superintendent's Report

February 10, 2015

Activities and Meetings Since Last Report

- ⇒ Dual Credit Meetings. Attended numerous Dual Credit Meetings with our partners and Lethbridge College. The present program is running smoothly and all reports indicate it is a great success. Sadly, this may be the last cohort. Given proposed changes to the curriculum and funding issues, the third cohort will not proceed as planned. We will continue to work with the College on this initiative and others as opportunities arise.
- ⇒ South West Regional VTRA review and signing. Attended on behalf of LRSD the resigning of the regional protocol.
- ⇒ Leader2Leader. Participated in an evening meeting with the new administrators and their mentors. Great conversation and sharing of ideas occurred.
- ⇒ Meeting with Alberta Education to review the LRSD AERR and Three Year Plan.
- ⇒ Board Planning Day. A great day that allowed the board to set new divisional goals and direction for moving the division forward in the future. As well, a great conversation in regards to the proposed changes to the Education Act.
