On August 16th I have the pleasure of attending the Faces Session celebration night, our MLA Roger Reid and MP John Barlow were also in attendance. The dedicated Staff and Students leaders make this such a great experience for not only our LRSD students but so many from across the province.

Thank to all the Board members and Administration for the support over the past four years. It has truly been an honour to serve as Board Chair with such hard working and caring individuals.

## **Committee Reports**

In preparation for Alberta hosting CSBA I attended the Annual Congress and First Nation Education Gathering in Ontario. (Just Hotel and registration was paid through PD funds.)
