Celebrations

The combined School Nanton Schools Remembrance Day Ceremony was fantastic. It allowed the entire community of Nanton to come pay tribute to our veterans and see students of all ages sharing their talents.

Committee Reports

As ASBA Rural Caucus Rep. I attended the meeting prior to FGM in Edmonton along with Clara and Darryl. (The agenda is attached.) Clara was elected to the position of Director.

The Break out sessions I attended were **Basic Education** and **The Rural Health Professions Action Plan**. I suggest we have the Rural Caucus on a future Committee of the whole agenda.

Celebrations

I attended the Remembrance Day Ceremonies at Livingstone School, CCHS, ISS, and Horace Allen. The ceremonies were very well attended. Horace Allen had standing room only and not much of that. The student presentations were outstanding at every school and credit must be given to the staffs who plan and prepare the programs. I am sure the weekend was a well-deserved rest.

On Saturday, Nov. 10, a 100 year Armistice Gala was organized by the Coleman Legion and held at the MDM Community Center in Bellevue. Our CCHS students created several presentations which were outstanding; the reading of a personal essay with soldiers' letters, a self-choreographed interpretive dance, art portraits of fallen local soldiers, a selection of European pastries to honour the countries that signed the Treaty of Versailles, a locally filmed documentary, and a slide show and oratory about the 192nd Battalion. The students were great ambassadors for Livingstone Range School Division. Ms. Jill Klapp, Vice Principal, and Ms. Christine McKee, principal, deserve more credit than they realize for the positive image of CCHS the performance gave the community. How many hours of extra time would preparation have involved?

Awards such as the Edwin Parr Awards are always a celebration. Exciting to see

and hear from excellent, young teachers.

There will not be a cannabis store near our Outreach School.

My Professional Learning

I am about to learn the role of Zone 06, Labour Rep.

There is government funding for anti-racism programs; Boys' and Girls' Club?

There is still money for playground improvements.

Great Kids' Award must be in by November 30.

We had an excellent presentation regarding mental and emotional health in our schools from Kendra Massie. The percentage of students with emotional and mental health issues in our schools is increasing, and all involved in Livingstone School Division, should make this a priority issue.

Our schools still have work to do in improving our PAT Scores.

Events & Activities Attended

ASBA Fall general meeting in Edmonton
Regular board meetings
Meeting of the whole
Cupi negotiation meeting

Celebrations

I was great to meet with the staff of W A Day staff for breakfast. I enjoyed hearing how they all love the culture in that school and enjoy coming to work.

My Professional Learning

At fall agm we learned from Sam Seller how to look at data take it for what it really tells us. He talked about looking new ways to look evaluate students other than surveys and fixed tests.

My committee Reports(s)

We have had a great time in negotiations with CUPI the attitude and the dialog has been the best I have ever been involved in when it comes to negotiations. I have really enjoyed it.

Upcoming Events & Activities

Will be attending concerts at schools and colonies in December

Everyone have a very merry Christmas
