

AHT 1050 / TERM: FALL 2020
INTRO TO VETERINARY PROFESSION

Sept 21 - Dec 11, 2020 | Online, Asynchronous

Students will become familiar with selected animal health organizations and will adhere to the regulations of veterinary medicine in Alberta. Students are introduced to strategies and techniques for managing self and interacting with others. Students will examine animal welfare and ethical issues. This course provides students with foundational veterinary medical terminology they will use throughout their career.

Animal Health Technology

EARN COLLEGE CREDITS
IN HIGH SCHOOL

The Olds College Animal Health Technology Program prepares its graduates to be employed in the animal health industry by providing educational excellence in technical procedures, animal nursing care, and client relations.
