These impactful statements and branding truly reflect who we are as well as who we strive to become through a really inspiring and collaborative process.

- 2) **ASCA Award** – The Board of Trustees would like to congratulate Cathie Harris on receiving the School Council Parent of Distinction Award from the Alberta School Councils' Association. The School Council Parent of Distinction Award recognizes an individual who demonstrates ability to promote parental engagement and involvement in the public education system. Truly exceptional in their dedication and initiative, this individual has dynamic leadership qualities and encourages opportunity to influence student learning success in the school community. Cathie was nominated by F.P. Walshe School and has been a huge asset to all. Congratulations Cathie on this well-deserved award.

- 3) **IMR Grant Funding Submission** – Jeff Perry, Associate Superintendent of Business Services reviewed a recent IMR Grant Funding submission. On April 9th, 2020, the Premier announced that there would be additional funding for Capital Maintenance and Renewal. This grant is not just education specific but for all Ministries and areas in the province. The criteria for this grant application included that the projects had to be outside our current IMR plan and they needed to be tendered and completed within six months upon receiving approval. The application has been submitted but currently Livingstone Range School Division has not been notified if they have been granted approval.

- 4) **Emergency Response Committee** – Due to the COVID 19 pressures, restrictions and possible relaunch strategies, the Board of Trustees does not want to overtax our administration and staff therefore moved that they suspend all non-essential meetings and presentation until further notice.
