Insurance Related Considerations:

1. The Board requires that the vehicle owner maintain, at all times, insurance in an amount of not less than \$2,000,000 in respect of liability or injury or death of any students who are passengers in the vehicle the volunteer driver is operating.
2. In case of an insurance claim (i.e., third party damage and/or personal injury) the vehicle owner's automobile liability insurance applies **before** that of the school Board.
3. Additional automobile liability insurance protection is provided under the school Board's comprehensive general liability insurance policy for authorized drivers transporting students in privately-owned vehicles on an approved school activity or function. This insurance is **only** for an amount in excess of the limit of liability provided by the vehicle owner's liability insurance policy.
4. **Damage to any vehicle**, including the owner's, is the responsibility of the volunteer driver and not the Board.
5. The owner of the vehicle is expected to **inform** his/her **insurance agent** of the intention to use the vehicle and to act as a driver for Board activities, and to enquire whether a passenger endorsement is required to do this. As this driving is classified as occasional, most insurers do not require that a passenger endorsement be added to the policy or that additional premiums be paid.
