

ABOUT US

Where the prairies meet the Rocky Mountains in southwestern Alberta, Livingstone Range School Division (LRSD) inspires excellence through meaningful relationships, innovation, and collaboration. Our Division is home to 14 schools and 13 Hutterite Colony schools in 8 distinct communities.

There were 3,658 (3,487.25 Full-Time Equivalent) during the 2019-2020 school year, with an operating budget of approximately \$53 million.

LRSD is dedicated to providing the same learning opportunities in small schools as in our larger sites, and we've implemented strategies that will allow all students to have equitable access to a variety of programs, including:

- Dual credit opportunities
- Video-conferencing
- CTS programs that allow for the movement of equipment and teacher from location to location
- Utilization of teacher expertise in a variety of locations
- LRSD Virtual School
- Enhanced Learning Model

ENGAGEMENT

LRSD believes strongly in involving all stakeholders – especially parents, students, staff, and communities – in the planning and reporting process. The Board's Assurance Framework Policy articulates the need for transparency, collaboration, and full parental, student, and staff involvement.

PRIORITIES

Culture | Goal: Every student and staff member recognizes that they are responsible for positive change.

Academics | Goal: Educators empower students to lead their own learning.

Leadership | Goal: Every student and staff member recognizes that their contributions help make their school and the division a better place.

UNIQUE PROGRAMMING

- Livingstone Ski Academy: Skills-based program for recreational and competitive student athletes
- FACES: Summer outdoor adventure education for student personal growth & development
- Leader in Me: Educational and social leadership development
- Hockey Academy: Skills-based program for recreational and competitive student athletes.
- Career & Technology Studies (CTS): Hands-on skill-development education includes welding, plumbing, automotive, RAP, Green Certificate, & work experience
- Dual Credit Opportunities: Agreements with University of Lethbridge, Olds College, SAIT, and Bow Valley College provide dual high school and post-secondary credit for more than 20 courses.
- Rock the Diploma: 3-day exam prep courses

CAPITAL PRIORITIES

Nanton Solution Project - Modernization of J.T. Foster School

J.T. Foster School is in need of a modernization to update its facilities to better meet the needs of today's students and to address foundation issues with the high water table and slow deterioration of the foundation walls.

At this point this is not a health and safety issue but preserving the integrity of the facility long term.

The Board continues to advocate for this project to the provincial government.
