2. *Looking for Industry Experts to help connect curriculum to world out there?*

Location: Virtual

Time: 8:30 am to 1:30 pm

Presenter: Various

Contact: Christina Bazell bazellc@lrsd.ab.ca

Join in the conversation with experts who actively engage in presentations/programs directly connected to Alberta Education Curriculum outcomes. Our presenters (Junior Achievement, Working Wild, Alberta Beef, VIBE are a few) will cover K-12 options in science, math, health, art, design and humanities.

To register, email bazellc@lrsd.ab.ca

3. *Outdoor Classrooms: the Early Stages - Part 1*

Location: Virtual

Time: 9:00am - Noon

Presenter: Madison Dovell

Contact: Madison Dovell @ dovellm@lrsd.ab.ca

Link: <https://meet.google.com/ydk-xtsd-hrx>

At West Meadow, we are currently working in partnership with our parent council to build an outdoor classroom, or maybe a few! The main focus of this session will be to share information regarding outdoor classrooms (ex. what I've learned so far, some of our ideas, how you could start this at your school). Depending on time and attendance, we would love to talk with other schools about their current outdoor set-ups and collaborate to solve challenges that we're facing already. To register, send me an email - please include topics of interest, so I can better prepare! Check out Part 2 for the more hands-on component of the day!

Please RSVP to: dovellm@lrsd.ab.ca

4. *Outdoor Classrooms: the Early Stages - Part 2*

Location: Virtual

Time: 1:00pm – 3:30 pm

Presenter: Madison Dovell

Contact: Madison Dovell @ dovellm@lrsd.ab.ca

Link: <https://meet.google.com/foj-qovj-kjf>

After our morning of discussion and planning, we're going to head out into our backyard for more hands-on planning and collaboration, (following current COVID restrictions). Depending on attendance, we can do any number of things including rock painting (to prepare for a literacy garden), collect/organize/prep loose parts, mark out locations for certain learning stations, etc. If there is something you're interested in working on or knowing more about, let me know and we can make that happen! If you want to attend virtually in the afternoon, I will set up my laptop outside at our meeting place and we can continue to work together, while apart. If you're interested in joining us, send me an email and please let me know if there are any specific projects you would like to work on.

Please RSVP to: dovellm@lrsd.ab.ca

5. **Encouraging Language Development in Early Childhood Settings - Hanen**

Location: Virtual

Time: 8:30am – 1:30pm

Presenter: Sandi Harrower & Lisa Furukawa

CANCELLED

The foundation training of Encouraging Language Development in Early Childhood Setting addresses how educators and staff can use everyday conversations, play and daily routines to promote the communication and social development of all children.

Participants learn how to:

- Identify children's conversational styles and the role teachers play in interactions
- Implement six steps to following the child's lead: Observe, Wait and Listen, Be Face to Face, Imitate, Interpret, Comment, and Join in and Play
- Help children become better conversation partners by using appropriate questions, comments and turn-taking cues
- Use five important steps to ensure that no child is left out of the interaction during group activities

Please RSVP Jenn Kewley @ kewleyj@lrsd.ab.ca to register – space is limited.

“Our most difficult experiences become the crucibles that forge our character and develop the internal powers, the freedom to handle difficult circumstances in the future and to inspire others to do so as well”.
- Stephen R. Covey

We are hopeful that you will be able to join us for an exciting virtual, personal and professional development session on Friday, March 19th. We ask that you RSVP by March 17th.

We are excited to provide this personal and professional learning gift to our staff. We believe it is a powerful message that has the ability to inspire hope and change during these challenging times.

David George, former principal of the first Leader In Me School in Canada, Crestwood Elementary in Medicine Hat, will be facilitating this session. David is a tireless champion of inspiring others to live a principled centred life. He has taught and modelled that living a principled centred life is not only effective but it is the only way we can thrive in the face of change and adversity.

Through this session participants will

- Assess and reframe their experience using the Change Model.
- Prioritize whole-person wellness to grow capacity to thrive in stressful situations.
- Help students navigate change by teaching hope through goal-setting, planning, and agency
- And be given the tools to Emerge Stronger!

Please see the [Emerging Stronger Poster](#) and look forward to seeing you there!

Please RSVP Jenn Kewley @ kewleyj@lrsd.ab.ca to register by March 17th.

Presenter: Kate Cope, Terry Edwards, Carol McNally, Kayli Ledsham

Contact: Kate Cope copek@lrsd.ab.ca

Link: (virtual link will be shared to those that RSVP)

Everyone loves a good field trip! The best ones are those that are fully connected to the Alberta Programs of Study, are accessible and affordable for families and schools, and are engaging. While these trips are off the table right now, and changes to the Program of Studies are on the way, we have an amazing wealth of sites and resources that we may not even know are so close to home.

We are looking to take advantage of the local resources, history, and cultural opportunities found within, or close to, the boundaries of the Livingstone Range School Division, as alternatives to taking field trips to Calgary. We are also looking for ways to incorporate First Nations, Metis, and Inuit perspective and history. These sites might include, but are not limited to, the University of Lethbridge, local wetlands and forests including Waterton Lakes National Park, and Head-Smashed-In Buffalo Jump.

The first part of our session will involve coming together in a Google Meet to brainstorm possibilities for field trips within our division. We will then independently, or with our school cohort, research sites, locations, museums, interpretive centers, and any other location that would support classroom learning, and be fun! Finally, this information will be compiled in a Google Doc for future reference, hopefully sooner than later! This session is open to all grade levels.
