

## BOARD OF TRUSTEES KEY MESSAGES

Following are the Key Messages from the Board of Trustees Regular Meeting held on Tuesday, November 23, 2021.

- 1) **IMR Results & Plan** – The Board of Trustees approved the 2021-2022 Infrastructure Maintenance and Renewal Expenditure Plan (IMR). One of a school jurisdiction's highest priorities regarding their school facilities is to ensure that health, safety and essential upgrading needs, including emergent projects, are completed as required. IMR funding is provided to meet these needs and eliminate deferred maintenance. IMR funding is only provided for government owned facilities and is not provided for privately owned buildings.
- 2) **Board Presentations:**
  - a) **Alberta Education Assurance Survey Measures** - Chad Kuzyk, Associate Superintendent, Curriculum and Innovation, presented the Alberta Education Assurance Survey Measures to the Board of Trustees. In many areas of the measures the Livingstone Range School Division was above the provincial average.
  - b) **Student Wellness Presentation** – Dr. Kendra Massie, Clinical Team Lead updated the Board of Trustees regarding Student Wellness throughout the Livingstone Range School Division. The LRSD Family School Liaison Counsellor Program truly optimizes learning, development, and the wellbeing of our students by reducing or preventing student challenges. The program always strives to attain the vision statement Every student, every day.
  - c) **Transportation Presentation** – Transportation Coordinator Mike Cahoon, Interim Transportation Coordinator Rick Visser and Transportation Secretary, Kristi Edwards presented a Transportation update to the Board of Trustees. The Transportation department main goals this year were bus driver recruitment and new buses for our fleet. They have hired 34 new bus drivers and obtained 5 new to us buses. In October the Department of Transportation inspected six of our Pincher Creek buses, each bus passed with a 100% pass rate. Congratulations to our Transportation department for a job well done!
- 1) **COVID-19 Vaccination Status and Testing for Harm Reduction** - The Board of Trustees directed Administration to develop a COVID-19 Vaccination Status and Testing for Harm Reduction (not applicable to students) recommendation and implementation plan to be presented to the board. This plan should take into account reasonable timelines, time spent with students, and the requirement of vaccination status disclosure, or for those not fully vaccinated regular proof of a COVID-19 negative test.

**Every student, every day.**
