- Tangible resources at the school to aid parents i.e., books

Submit your invoice/receipt to Divisional Office. Contact your school's principal or Livingstone Range School District Office, for additional information.

At this time, we do not know if these funds will available next year.

MAY REGIONAL SCHOOL COUNCIL MEETING:

May 25th, 2022, we were excited to return to In-Person, Regional School Council Meetings. The hybrid event included dinner and was held at Divisional Office. LRSD Divisional Principal Tara Tanner presented the Pursuits Program and Nick Beer presented Virtual School, Grades 1-6.

School Councils shared successes and challenges so overall it was a successful evening with a lot of valuable information. Thank you to Trustee Stangowitz' children for the amazing desserts!

It was so nice meeting in person! We understand for some people the drive was long. Therefore, RSC is planning all meetings for next year to be held in-person at different school councils!

SCHOOL COUNCIL ANNUAL REPORTING:

As per LRSD [Administrative Procedure 110](#), School Councils are required to report their previous year activities to the Superintendent. Please email sequind@lrsd.ab.ca after your last school council meeting of the 2021/2022 year with **all** the following in **ONE** email:

- Activities of the school council
- Financial statement relating to money handled by the school council (if any. This is for school councils that handle funds, **NOT** for school associations.)
- A copy of the minutes for each meeting.

Thank you.
