Where the Mountains Meet the Prairies

A True Canadian Experience

Becoming a student with the Livingstone Range School Division International Student Program will provide a welcoming, positive, and personal approach in an English immersion environment. We provide a world-recognized educational program along with cultural and recreational exploration you'll remember for a lifetime.

Enjoy warm hospitality, excellent academics, incredible natural beauty, and caring homestay families.

Our small classes provide an opportunity for students to become engaged learners. Support is provided by attentive staff who guide students in their academic program and encourage them to join after-school activities. The ratio of International to Canadian students is very low, so we provide an opportunity for a "true" Canadian experience.

Our Community

Livingstone Range School Division spans a vast geographical area comprising of 9500 square kilometers across southwestern Alberta, located along the foothills and into the Canadian Rocky Mountains. International students have the opportunity to explore the history of Alberta while enjoying the western hospitality.

every day

Unique Opportunities

We offer some unique programs such as Ski Academy, Flight Academy, and Hockey Skills that help enhance the student experience. At Livingstone Range, we strive to ensure our international students feel welcomed and become members of a family, a school environment, and a community.

Our exciting and beautiful location offers great opportunities for outdoor activities and experiences, such as skiing, hiking, camping & more.

Our educational programs are developed to meet the unique academic, athletic, and artistic needs of students.

Homestay placements are carefully chosen by our homestay coordinators and inspected to ensure a good personal fit within a safe, comfortable, and supportive family environment.

Choose Livingstone Range

Alberta prides itself on a high-quality teaching standard. Our teachers know a broad range of instructional strategies to help all students reach their potential.

Alberta's citizens are ethnically and culturally diverse and welcoming to visitors. International students can expect to gain new perspectives, new friends and an understanding of the global nature of society.

Livingstone Range is home to six welcoming and safe distinct communities, each offering a unique opportunity to study, live and explore.

Livingstone Range has individualized learning experiences that help you achieve your goals.
