

# LIVINGSTONE SKI ACADEMY

## Change how you experience education!

Livingstone Ski Academy offers an innovative and flexible learning environment for students with a passion for the outdoors and a love of snow sports.

Our inclusive program for students in Grades 4-12 features an outstanding academic program in a school that focuses on creating and nurturing student success through caring and supportive relationships. Professional coaching and mountain training in development, freestyle, alpine, and big mountain styles makes for a dynamic alpine experience on some of the finest terrain in North America.

"I made incredible friends and I look forward to school every day!"

-Student Alina Pharis

"The Ski Academy has opened so many doors and opportunities for me."
