Q

- What makes a great school?
- What programs are important for a modernized high school?
- What competencies & skills will students need for the future?
- How can schools and community work in partnership?

## WHAT I 'GOT' OUT OF THIS

"Everybody's voice was heard."  
"I feel very excited for the new schools!"  
"Very interactive and involving."  
"I got more of a vision of what a new place for students could be like."  
"Great community involvement!"

## WHAT I STILL 'WANT' AFTER THIS

"I want more information about what is going to happen to our schools."  
"Let students talk in more detail about why they want certain things"  
"Want to do this for the elementary school."
